'7470 PHOTO SPECIAL'
 on the Conway Scenic Railroad

North Conway, NH to Conway, Redstone, Notchland & Return
Saturday, May 31, 2014 ONLY!!

The Conway Scenic's venerable 0-6-0 steam locomotive 7470 will be going out of service later this year for a federally-mandated inspection and overhaul that is expected to take about two years to complete. Join Mass Bay RRE as we send her off in style with a **limited-capacity** photo special covering most of the "lower" part of the Conway Scenic.

Our trip will depart from the landmark CSRR North Conway station at 10:30 AM, heading south to Conway. Then we'll travel north through North Conway to Mountain Junction, where we'll reverse direction and head east on the former Maine Central Mountain Division track, passing scenic Pudding Pond on our way to Redstone. After a photo stop near the end of the operable track at Redstone, we'll return to Mountain Junction, where a meet with CSRR train #20 will provide another photo opportunity. We'll then go on through Bartlett to Notchland before heading back to North Conway, making additional photo stops before our scheduled arrival at approximately 4:00 PM.
