

Take a scenic train ride along the Connecticut River in northern Vermont!

'GREEN KNIGHT TRAIN'

on the Washington County Railroad

(Boston) – White River Junction, VT – Wells River, VT & Return

Saturday, June 15, 2019 ONLY!!

Mass Bay RRE, in cooperation with Green Knight Train, LLC (a group of Dartmouth alums) offers a specially-chartered train excursion over the former Connecticut & Passumpsic Rivers RR from White River Junction to Wells River, VT and return. Known as the "Pompey Line," this ex-Boston & Maine route now belongs to the State of Vermont, which leases it to the Vermont Rail System's Washington County Railroad. The "Pompey" once handled B&M's *Day White Mountains Express* between New York and Berlin, NH, with connections to Quebec points. This will be the first public passenger train to cover the full length of the "Pompey" in several years.

The 'Green Knight Train' leaves at 10:30 AM from the 1937 Colonial-style Amtrak station in White River Junction. On our way north, we will pass Norwich, with Dartmouth College just across the Connecticut River, Pompanoosuc (which gave the "Pompey" its nickname), Fairlee, Bradford and Newbury before reaching the once-busy junction of Wells River. Here we will reverse direction and head south for an anticipated 4:30 PM return to White River Jct. The trip will include limited photo stops, subject to weather, schedule and operating conditions.

The Boston Connection Package
Sit back and leave the driving to us! Our connecting motor coach package offers a guaranteed connection with our train at White River Junction. Our rest-room equipped motorcoach will leave Boston's South Station at 7:30 AM, Anderson RTC in Woburn at 7:45 AM and the Methuen Park & Ride (Pelham St., at I-93 Exit 47) at 8:00 AM. The motorcoach connection is scheduled to arrive back in the Boston area around 7:30 PM.

This specially-chartered excursion will consist of coaches and table cars from the Green Mountain Railroad's "Green Fleet" of restored vintage passenger cars. Train capacity is limited! We will assign seats by car only and will reserve blocks of seats for groups of four or more; passengers wishing to sit together should order tickets at the same time. Box lunches are available for advance purchase, or you may bring your own. Limited snack and beverage service will be available aboard the train.
