

Don't Miss Mass Bay RRE's Special Train 'THE RUTLAND ROCKET'

Special Train Excursion from Bellows Falls to Rutland, VT & Return
Saturday, June 22, 2013 ONLY!!

Mass Bay RRE returns to Vermont this June with our 'RUTLAND ROCKET' train excursion over the Vermont Railway's main line from Bellows Falls to the railroad's hub at Rutland. This exclusive specially-chartered train continues our 79-year tradition of offering distinctive rail excursions to the public.

Our train will depart from the Amtrak Station in Bellows Falls at 9:30 AM. We'll head northwest over the VRS's Green Mountain Railroad through Chester. We'll continue on to Rutland, climbing the 2% grade through Ludlow to Summit. From there we descend another 2% grade, crossing the photogenic Cuttingsville Trestle. After a two-hour layover in Rutland our train will depart for the return trip to Bellows Falls, with an estimated arrival around 6:30 PM.

This will be the first Mass Bay RRE excursion over the Green Mountain Railroad since our excursion back in May, 2004. Our train will consist of coaches and table cars from the Green Mountain Railroad. Current Mass Bay RRE members are eligible for reduced fares - see our web site for details of our member benefits policy.

Train capacity is limited! We will assign seats by car only and will reserve blocks of seats for groups of four or more. Box lunches from Gerard's of Dorchester are available for advance purchase, or you may bring your own food or dine out during our layover in Rutland. Light snack and beverage service will be available on board the train.

This trip operates ONE DAY ONLY, rain or shine. All sales are final and tickets are not refundable. Alcoholic beverages and smoking will not be permitted aboard this train. Tickets will be mailed to you about 10 days prior to the trip. We will send driving directions to the departure location with your tickets. Please notify us if special accommodations (ie, handicap seating, etc.) are required.
