

Sunday excursion added due to overwhelming demand!

'TWO RIVERS STEAM SPECIAL'

on the Providence & Worcester Railroad,
Amtrak and the Valley Railroad

Worcester - Putnam, CT - Groton - Old Saybrook - Essex, CT - Goodspeeds & Return

Second trip added - Sunday, October 30, 2016!

Mass Bay RRE joins forces with the Providence & Worcester Railroad and the Valley Railroad to offer this unique charter train experience, operating over three railroads with diesel and steam power!

Our special train will depart from the P&W's headquarters on Hammond Street in Worcester at 8:30 AM for the trip south on the P&W's Norwich Branch. After an additional stop for passengers at Putnam, CT, we'll continue on through Plainfield and Norwich, running alongside the Thames River for the rest of the trip to Groton.

At Groton, we'll take the west leg of the wye onto Amtrak's Northeast Corridor main line for the dash to Old Saybrook, where we'll turn north onto the tracks of the Valley Railroad.

At Old Saybrook, the Valley Railroad's 2-8-2 steam locomotive New Haven 3025 will be waiting to take over our train. We'll swap power and head north on the Valley Railroad behind the 3025, passing through Essex and along the Connecticut River to the end of the operable track at Goodspeeds. Naturally, there will be a photo runby along the way! At Goodspeeds, the 3025 will run around our train on the new runaround track before hauling us south back to Old Saybrook. After a quick engine change, we'll retrace our route through Groton and Norwich, arriving back at Worcester around 9:15 PM.

Our train will consist of the P&W's fleet of refurbished former Amtrak passenger cars. In addition to standard coach seats, **Deluxe Coach** seating with extra leg room is available in the parlor car "Massachusetts" for a modest additional fare. **First-class** seating in swivel or lounge chairs is available in the "Massachusetts" and the observation car "New Englander." The Deluxe Coach and First-class fares include complimentary light snack and beverage service throughout the trip. The snack counter in the dining car of our train will offer an expanded menu for lunch and dinner, including freshly-cooked hamburgers, hot dogs, chips, snacks and beverages.

Train capacity is limited! All seats are reserved and will be assigned in advance. Passengers wishing to sit together should order tickets together as a group.

The **'Two Rivers Steam Special'** operates on October 29 & 30 ONLY, rain, snow or shine. All sales are final and tickets are not refundable.
